Hello Directors

Just wanted to make it official . . .

**Greetings from the Santa Cruz Film Festival INTERNATIONAL CINE
2005!!**

The Santa Cruz Film Festival is truly honored to extend a formal invitation to screen your film in our festival May 5 -13, 2005. We are excited about the possibility of introducing your film to our audience and look forward to confirmation of its availability. I have contacted many of you as to screening times and will be posting our schedule very soon. We want to thank you for submitting your wonderful work.

Please return the completed Confirmation Form by April 11, 2005.

This information is essential for programming the actual screening, as well as, for insuring that there is correct information in our program. Please email me stills from your film as support materials are needed to help us publicize your film.

Thanks for your time and I look forward to hearing from you soon.

I do hope you can make it to Santa Cruz. Please check out our testimonial page. We do our best to put on a great fest!

Regards,
